STEP UP INDUSTRIAL TRAINING

7,100 FINISH INDUSTRIAL TRAINING -- Budapest, Szabad Nep. 17 Aug 50

By the end of the Three-Year Plan, 14,000 student workers had been trained for heavy industry and 11,000 more were attending classes in the industrial schools. In the first year of the Five-Year Plan, 15,500 student workers are being indoctrinated, and 16,300 are attending evening classes in advanced industrial training. During the first half of the year, 7,100 technicians completed courses in advanced industrial training.

100,000 FORINTS FOR INDUSTRIAL TRAINING -- Budapest, Szabad Nep, 24 Aug 50

Under the Three-Year Plan, the capacity of industrial training institutions in Hungary was increased from 600 to 5,800. An appropriation of 80 million forints increased the number of training institutions to 69. The government is appropriating more than 100 million forints this year for the further development of industrial training. Under the Five-Year Plan, the number of training institutions has already been raised to 95 with a total capacity 9,500.

NEW AGRICULTURAL HIGH SCHOOLS IN HUNGARY -- Budapest. Friss Ujsag, 9 Sep 50

Minister of Agriculture Ferenc Erdei, at a press conference, spoke of the importance of the recently established agricultural high schools. This new type of institution, designed on the Soviet pattern, will provide practical agricultural training with the utilization of Soviet experiences. There will be 28 agricultural high schools specializing in plant cultivation, 18 specializing in animal breeding, eight specializing in gardening, seven specializing in forestry, and one specializing in dairying.

The training period will be 3 years. The school year will last 11 months, of which $8\frac{1}{2}$ months will be devoted to academic instruction and $2\frac{1}{2}$ months to practical training.

LARGE-SCALE TRAINING OF MILITARY NURSES -- Paris, Szabad Vilag, 10 Aug 50

The Hungarian Red Cross has again begun training military nurses. At present, 24 training courses are in progress, each with 20 students. The Alkotas Street military hospital in Budapest has also been completely restored. At the same time, an order has been placed with state enterprises for the complete equipment of three field hospitals. A complete field hospital mounted on a train left Budapest in a southern direction on 12 July.
